Re: United States v. Terrae Hinds
Docket 22 Cr 195

Dear Judge Matsumoto,

Please be advised probation officer Darren Galerick conducted Mr. Hind's pre-sentence interview on December 6th. During the interview a number of important background issues arose which will require significant investigation by both U.S. probation and myself. Although the sentence date is not until February 15, I am requesting a two-month adjournment, which should enable all of the parties to complete our important work. AUSA Pilmar consents to this request.

Respectfully submitted,

By: /s/Samuel Gregory/
